SUMMARY

Web Developer with a knack for solving complex challenges. Proficient in HTML, CSS, JavaScript, and Python, with a talent for crafting elegant, efficient solutions in large-scale projects. Dedicated to continuous learning and eagerly embraces new skills to stay ahead of industry trends.

SKILLS

- HTML
- CSS
- Javascript
- C
- C++
- Python
- MongoDB
- Express
- NodeJS
- React
- Data Structures
- Algorithms

EDUCATION

- Bachelor of Technology** Oct 2021 - Present
KCC Institute of Technology and Management, Greater Noida
- Senior Secondary Education** May 2019 - May 2021
RPS Public School, Muzaffarpur
- Primary School** May 2006 - May 2019
North Point Children's School, Muzaffarpur

EXPERIENCE

- Frontend Web Developer** Feb 2021 - Oct 2021
Freelancing
- Developed responsive web pages using HTML, CSS, and JavaScript.
 - Collaborated with back-end developers to integrate user-facing elements into applications.
- Python Developer** June 2019 - Aug 2022
Freelancing
- Developed Python scripts to automate data processing tasks.
 - Implemented object-oriented programming in Python to build custom classes and functions.
 - Evaluated various libraries and frameworks to identify best solutions for specific requirements.

PROJECTS

- MERN Stack E-Commerce Website** April 2024
- Designed and implemented MongoDB schemas for efficient data storage and retrieval.
 - Developed RESTful APIs with Express.js for seamless communication between frontend and backend.
 - Built interactive user interfaces using React for dynamic product browsing and shopping cart functionality.
 - Integrated user authentication and authorization features using JSON Web Tokens (JWT) for secure transactions.
- ECHO - Your Online Timecapsule** March 2024
- Built a web application using React and Appwrite to securely store user's thoughts and memories. Integrated RESTful API endpoints and managed state using Redux for seamless user experience and data consistency.

CERTIFICATIONS

- Responsive Web Design** Aug 2020
FreeCodeCamp
- Javascript Algorithms and Data Structures** Oct 2020
FreeCodeCamp
